DESIGN FEATURES

Simple and classic design that serves as a bold line transition between panels. A better, more appealing and secure solution to the "open wall" vertical joint look popular in many areas. Can be installed vertically, horizontally or diagonally. Used in conjunction with 5/8" drywall, panel installation and wrapped surface finishes such as fabric or vinyl wall coverings.

Available in 10' length. 6063 T5 aluminum with standard clear anodized or primed finish. Anodized color and powder coating finishes available with custom color matching.
