XEZV51648PC	4-3/4"	4"	MILL	18.8
XEZV51668PC	6-3/4"	6"	MILL	27.8

All parts are 8' Length standard unless otherwise indicated  
 \*NFA = net free area / sq.in.per linear ft.

## DESIGN FEATURES

The best looking, most "framer-friendly", easy to install, effective continuous soffit vent on the market. Unique double-leg channel hides the edges of soffit material for a clean look and help prevent the vent from being pulled up into the subfascia. Aluminum will not burn and thus is an important element in fire resistant construction.

## MATERIAL

6063 T-5 .050" ± .005 extruded aluminum alloy with a proprietary coating that protects against harsh weather conditions and allows for paint adhesion.

## FINISH

Available in mill finish or white. Also available in popular siding/soffit colors in standard face only color match or full coverage CoastalColorCoating™ upon request.
